Kelowna, BC, V1Y 1J4

Attention: Trisa Atwood, Planner II, City of Kelowna

Subject: Development Application Fees Bylaw Update

Thank you for circulating the City of Kelowna's draft Development Application Fees Bylaw update. We believe that these proposed fee increases are reasonable and are in line with previous conversations we've had with the City about indexing fee increases to avoid irregular and large changes.

We have no further comments to provide at this time other than to support this draft bylaw.

Sincerely,

URBAN DEVELOPMENT INSTITUTE OKANAGAN CHAPTER

Per: Rich Threlfall, Chair of UDI Okanagan
