Subject: Inclusion of School Tax in DCC Bylaw

It has recently come to our attention that some of our members were not aware that the City of Kelowna collects the School Tax on behalf of the Province at the same time that it collects Development Cost Charges (DCCs). This has resulted in some confusion.

In light of this and to ensure greater transparency and clarity for developers regarding the fees and taxes that are to be collected along with DCCs, the Urban Development Institute (UDI) Okanagan Chapter recommends that the City include mention of the School Tax within its DCC Bylaw.

Thank you in advance for considering this recommendation and we would be happy to discuss this further if there is any interest.

Sincerely,

URBAN DEVELOPMENT INSTITUTE OKANAGAN CHAPTER
