Subject: City of Kelowna Letter of Support for ICIP – Investing in COVID-19 Community Resilience Grant Funding Application

The Urban Development Institute (UDI) Okanagan Chapter would like to submit this letter of support for the City of Kelowna's ICIP – Investing in COVID-19 Community Resilience grant funding application related to a project that supports biking and walking within the community.

The specific project that we would like to highlight our support for is the 'Rutland to Okanagan Rail Trail Shared Pathway'.

As a partner in community building, UDI Okanagan recognizes the importance of balancing various modes of transportation within the city. Investing in alternative forms of transportation, linking urban centres and employment hubs, and encouraging physical activity all help to support adjacent development and contribute to a strong and thriving community.

Sincerely,

URBAN DEVELOPMENT INSTITUTE OKANAGAN CHAPTER

Jennifer Dixon, Executive Director of UDI Okanagan
